We invite all parents, students, staff and community members to be a member of the Columbia River High School Boosters. Join us at a meeting to learn more about Boosters and how we continue to support all student clubs, activities and athletics at Columbia River High School through these challenging times. Being a part of Boosters is a great way to stay connected with your student and your school.

Please attend to help us support our students, their school, and our community

MEMBERSHIP: ANYONE can be a member! Students, Parents, Teachers, Staff Members, Coaches, Alumni, Community Members, and Businesses! Membership allows you to vote during our general meetings, participate in concessions with your child when we return to school, and assist with other pertinent decision making with regard to club and sports funds. Our membership form can be found on our website

We need YOU! (And you, and you too!)

A highlight of Open Positions with Boosters:

FUNDRAISING CHAIR We are looking for someone to oversee all club and team fundraisers to be sure there is no overlap or conflict or competition. To this end, we need someone to manage fundraiser applications and fill the fence sponsors. You will work with treasurer and school to approve fundraisers for clubs/teams as well as develop the annual schedule of events.

MEMBERSHIP CHAIR We are in need of a volunteer to boost our membership. This will include membership promotion and coordination of member database. We hope to have you educate staff/parents/students/community as to the value of the booster club.

CONCESSIONS – COORDINATOR Even though school is not in person, we would like to be prepared for when it gets back and we can have our concessions stand open again. Are you the person who can be in charge of this? We would love to talk about it with you!

See these and other position descriptions on our website <https://crboosters.weebly.com/boardcommittees.html>
